Main Services to Client

Governance

Provide and adhere to good corporate governance principles and practices, including diligent financial management, the application of fair human resource management, the promotion of appropriate communication with clients, other Departments, provinces and African countries, within the context of the BATHO PELE principles and Inter Governmental Relations requirements.

Regulatory Function

Monitor and minimise animal health risks as well as to ensure food security by means of food safety and to facilitate the export of animals and animal products. Promote the conservation and sustainable use of the environment, especially agricultural natural resources (land and water) and to prevent the fragmentation and rezoning of agricultural land.

Knowledge Transfer

Train prospective and current agriculturalists, farmers and farm workers in the agricultural industry and promote career opportunities in agriculture. Deliver a competitive and appropriate farmer support service (including extension) to a broad spectrum of clients, with emphasis on the emerging farming sector on a geographically determined basis. Provide agricultural economic information and services for effective decision making in the agricultural and agribusiness sector. Provide information and services to increase the efficient use of our agricultural water resources especially in view of the possible impact of climate change on our Province.

Knowledge Development

Develop economically accountable and environmentally sustainable cutting-edge technologies in all spheres of agricultural production, processing and marketing with due consideration of current and future needs of all farmers and consumers nationally and internationally in a changing environment, to enhance competitiveness and to expand agricultural production for increased growth and development as well as promoting agricultural job opportunities.

Financial Support for Agriculture

Manage and facilitate financial support for farmers at all levels of production, including CASP, LandCare, land protection subsidies, MAFISA, bursaries for agricultural training and education as well as disaster relief funds as allocated from time to time.
