2. PAYMENT OF FEES

2.1 Modes of payments of student accounts

Annual student fees may be settled by means of one of the following two modes of payment:

Option 1: Full settlement of all fees relating to the relevant academic year.

Only if all study and related fees are paid in full for the academic year at registration (or within 30 days after registration except for the registration fee that is payable on the day of registration), a request for a 3% rebate on the tuition fees (subject / modules fees only) can be submitted to the Debt Administration section.

Option 2: Semester payments (Two payments per academic year)

All fees relating to the first semester are payable on the day of First payment at registration (or within 30 days after registration except for the registration January registration fee that is payable on the day of registration) as a minimum payment requirement and includes the following fees; Registration fee (or late registration fee) Computer usage fee, if applicable * Continuation fees, if applicable * * Laboratory fee, if applicable * Photocopy fee, if applicable * Meal coupon fee Meal activation fee, if applicable Tuition fees for the first semester Lodging fees for the first semester Refer to paragraph 6 for tariffs and detail per fee.

Second	All fees payable relating to the second semester.
payment on or before 31 July	

2.2 Payment methods

Debit card, credit card and EFT facilities will be available on the day of registration.

2.2.1 **EFT payments**

Payment is preferred by direct deposit into the following bank account:

Bank : Nedbank

Name : Department of Agriculture

Branch code : 145 209 Account number : 1452 045 119

Swift Code : nedszajj (Only applicable to foreign students)

Reference : **Student number and surname**

The deposit slip must be faxed to 086 565 2094 or e-mailed to the Debt Administration Section at MalindaF@elsenburg.com. The student number must be used as reference. Please allow five working days for the transaction to be processed on your student account.

2.2.2 Payment at the cashiers (amounts not paid at registration or via EFT)

The cashier is situated in the main building of the Western Cape Department of Agriculture opposite the college campus.

Office hours for payments at the cashier: Mondays to Fridays, 08:00 to 15:30.

2.3 Failure to pay and charging interest

- 2.3.1 Interest will be payable on all amounts outstanding for more than 30 days. Interest will start accumulating on all outstanding amounts relating to the first semester from the date of registration if not paid within 30 days after the day of registration. Interest on the second semester's outstanding amounts will start accumulating from 1 August if not paid by or on 31 July.
- 2.3.2 The Western Cape Department of Agriculture (WCDoA) will institute legal actions to recover outstanding amounts including all legal costs and interest.
- 2.3.3 At the end of the final study year a student's qualification may be withheld if their student accounts are not settled a week prior to the day of graduation.

2.4 Accounts enquiries

- 2.4.1 In the case of modules reflected incorrectly on statements, students should contact the student administration office directly.
- 2.4.2 Enquiries on invoices, monthly statements and reminders on outstanding accounts must be directed to the Debt Administration Section.

3. BURSARIES

3.1 Application for Elsenburg Agricultural Training Institute study bursary

Prospective students should apply for a bursary on or before 30 September. No late applications will be considered.

The criteria for bursary applications at EATI are based on transparency, fairness and the promotion of the WCDoA's transformation objectives. Please note that a limited number of bursaries are available and meeting the criteria does not guarantee entitlement. Allocation will be according to the bursary priorities set by EATI.

The bursary application form, obtainable from the department or online, must be fully and correctly completed and signed by the applicant and if applicable, his/her parent or guardian. All documents requested on the application form must be submitted and failure to comply may result in the application being deemed incomplete. Only applications submitted on the prescribed application form and completed applications will be considered. The use of tippex on application forms is strictly prohibited and no faxed/e-mailed application forms will be accepted. ANY FALSE INFORMATION SUPPLIED WILL LEAD TO THE IMMEDIATE CANCELLATION OF A BURSARY.

Successful applicants will be informed during **November**. Applicants who do not receive notification prior to registration in **January** must consider their applications as having been unsuccessful. Bursary holders may not accept more than one bursary with service obligations.

Please note that the successful candidates must submit a copy of the approval letter (or contract) and a copy of their ID at registration. It is the student's responsibility to obtain this letter (contract) from Student Administration **before registration**. No registration will be allowed without this letter.

3.2 Private bursary holders

Private bursary holders are personally responsible for the payment of their student fees. The onus rests on the student to ensure that a bursary payment is received before the payment due dates as stipulated in paragraph 2.1.

Private bursary holders must submit their bursary approval letter on the day of registration.

4. PROCEDURES ON THE DAY OF REGISTRATION

- 4.1 A verification of results will be conducted and if it becomes apparent the applicant does not meet the minimum admission requirements, he/she will not be admitted. After verification of results students will select their subjects for the year and a cost statement will be printed indicating all fees payable for the semester. The student will be directed to the pay point.
- 4.2 All students (including bursary holders) must report to the pay point to settle outstanding accounts and to submit bursary approvals and other documentation where applicable. Each student will then receive a confirmation as proof that all financial arrangements are met.

5. DISCONTINUATION OF STUDIES

When a student leaves the college without having completed his/her programme of study, the Director: HET shall be notified accordingly in writing, together with the reason(s) for the discontinuation of studies. The written notice of discontinuation of studies must be handed in at the Student Administration office. Discontinuing students are also required to complete a Discontinuation of Studies form which is obtainable from the Finance Section.

If the written notice of discontinuation of studies states no date of discontinuation, the date of receipt of such notice shall be used for the purpose of calculating the outstanding amount.

Any student who discontinues his/her studies after 31 March in the first semester OR after 30 August in the second semester of the academic year for which he/she registered, shall also be liable for the full study fees owing.

The possible refund of any amount rests with the college. Refer to the table in paragraph 6 for a summary of all fees payable and the refund thereof if in accordance with the stipulations of paragraph 5.

7. ACADEMIC FEES

7.1 Application fees

An application fee is payable when an application form is submitted. No application will be considered if proof of payment of the respective fee is not attached. Should the application be unsuccessful or should the applicant withdraw his/her application, the application fee will not be refunded. The application fee is not used towards payment of any other fees.

7.2 Acceptance fee

In order to secure provisional registration, an acceptance fee is payable to the Institution. The acceptance fee is credited to the student account.

7.3 Registration fee

A class registration fee is always payable upon registration.

7.4 Late Registration fee

Students are encouraged to register for classes on published dates. Whether you are a continuing, new or re-entering student, additional charges will be applied to your account if you do not register for courses by the published dates for registration. A late registration fee is applicable.

7.5 Internet Usage fees

An optional internet usage fee is payable at registration. The fee provides the student with access to the internet for the duration of the academic year.

7.6 Continuation fee

Students who are readmitted to the college after unsuccessful studies in the Diploma: Experiential Training, Diploma: Cellar Technology or Diploma: Extension programmes are required to pay a continuation fee.

7.7 Laboratory fees

Students registering for the Diploma in Cellar Technology are required to pay a fee for the use of the laboratory.

7.8 Lodging

The Elsenburg campus has six hostels and two student houses. The first year hostels are Ou Koshuis, Huis Noord and De Kelders. Senior hostels are Huis Suid and Bacchus. The annual residence fee shall be deemed to be the sum of the room and meal option charges. The annual residence fee for these purposes shall not be deemed to include residence life and service charges. Students who have not been living in student housing for the first semester and who are accepted into residence for the second semester are liable for the second semester fees only. Returning students are required to apply for residence annually.

7.9. Meal Activation fee

A meal activation fee is payable at registration to activate the meal system. A meals coupon fee of R80.00 is deducted from the meal activation fee for booking of meals. The balance of the meal activation fee may be utilized for booking of meals. If you lose your coupon, you may have a new coupon activated at the hostel against payment of the required amount of R160.00.

7.10 Meals

Meals are pre-booked on the computerised system and bookings need to be made the night before, before midnight. The student exercises his right by choosing which meals he will be taking. The meal account must at all times have a credit balance. Actual meal

credits not taken will be credited to the students account at year end or when he leaves the college.

7.11 Photocopy fee

A photocopy fee is payable at registration. This amount is credited to the student's fee account for the use of the Institution's photocopying facilities. The photocopying quota may only be replenished with a payment at the cashiers or by direct bank deposit into the institution's bank account. If the photocopying quota is not depleted by the end of the academic year, the remaining amount is credited to your student fees account.

7.12 Student card

Each person who registers for the first time as a student is given an Elsenburg Agricultural Training Institute student card (photo identity card) at no cost.

Students registering for the BAgric programme who require a Stellenbosch University student card may purchase the card through the Stellenbosch University. This fee is payable to Stellenbosch University at the cashiers in Admin A.

Returning students keep the student cards they were given the first time they registered and they are required to bring their student cards with them every time they register in order to reactivate the student cards for the new academic year.

7.13 Administration fee

Raised on any transaction where money is refunded on request (cancelling of a course or accommodation).

7.14 Changing of instructional offering

A penalty levy will be raised to discourage continuous changing of instructional offering to avoid administration disruptions. (Not relevant to the first month of registration.)

7.15 Re-mark of test/examination paper

A student who wishes to have an examination paper re-marked must apply in writing at the Student Affairs Office and pay the required amount at the cashier (Finance Department) within one working day after the final results of a module have been published on the website and the lecturing noticeboards.

No re-mark will be considered without the necessary receipt of payment. Proof of payment should be faxed to the Student Affairs Office, fax number 021 884 4319.

The Lecturer responsible for the module will be contacted by Student Affairs after the proof of payment has been received. The Lecturer will contact and supply the external moderator with the relevant script.

The results of the re-mark could potentially only be made known shortly before the supplementary examination takes place. A student must therefore prepare himself/herself for the supplementary examination in case he or she needs to write this.

The Student Affairs Office will inform the student of the outcome of the evaluation.

7.16 Boarding of horses

The tariff for horses being kept on pastures is for registered students and the horses must be available for practical courses. Veterinary costs are for the student's own account. This tariff includes the normal horse rations.

7.17 Equine Studies Examination Fees

All examination fees are payable directly to the Equestrian Qualifications Authority of South Africa (EQASA) by the student. It is the student's responsibility to ensure that he/she registers with EQASA and that the necessary fees are paid. **EQASA website for additional information:** http://www.sanip.org.za/

7.18 Sport and Recreation fees

- At EATI, our sport and recreational clubs are open for all students to take on a range of activities outside study hours for a healthy lifestyle. We have the following sports clubs on campus:
 - Rugby
 - Soccer
 - Netball

An annual membership fee is payable in order to join one of these clubs. (See appendix 2)

All first year students pay a compulsory fee (non-curricular fee) for clothing to be worn during the orientation week. (See appendix 2)

Payment is preferred by direct deposit into the following bank account:

Bank : ABSA

Name : Elsenburg Sport en Ontspanningsklub

Branch code : 632005 Account number : 0410166119 Type of account : Cheque

Reference : **Student number and surname**

7.19 Tuition fees

All fees are determined yearly per module and are calculated per subject in addition to the registration fee.

(See appendix 1 for fees by module)
