Provincial Veterinary Laboratory**

Fees List
2018 / 2019

Western Cape Provincial Veterinary Laboratory

<u>DESCRIPTION OF SERVICE</u>	<u>* FEE (R)</u>	<u>UNIT</u>
Post Mortem		
Poultry, birds	450.00	Per 1-5 birds
Small stock, immature large animal, dogs, cats	570.00	Per animal
Large animal (adult) (cattle, horse, pig)	900.00	Per animal
Ostrich (immature)	450.00	Per 1-5 ostriches
Ostrich (adult)	900.00	Per ostrich
Reptiles, exotics (excluding Fish)	570.00	Per animal
Foetus examination (Brucellosis investigation ONLY)*	660.00	Per foetus
After Hours, Adult large animal	1800.00	Per animal
Histopathology		
Processing, staining & examination	400.00	Per 1-5 cassettes
Processing & staining only	290.00	Per 1-5 cassettes
Smear examination		
Routine blood/brain/spleen/faecal / cytology smears	32.00	Per smear
Bacteriology (Diagnostic)		
General Culture & identification (aerobic or anaerobic)	354.00	Max 3 samples / case
Antibiogram (on request)	104.00	Per isolate
# Brucella isolation and presumptive identification	306.00	Max 3 samples / case
# Salmonella culture and identification	354.00	Max 3 samples / case
Food Safety Microbiology		
Food and feedstuffs; Environmental		
# Aerobic plate count (detection and enumeration)	95.00	Per sample
Coliforms (detection and enumeration)	70.00	Per sample
# <i>E. coli</i> (detection and enumeration)	118.00	Per sample
# <i>Enterobacteriaceae</i> (detection and enumeration)	118.00	Per sample
<i>Listeria monocytogenes</i> (detection only)	205.00	Per sample
# <i>Salmonella</i> spp. (detection only)	165.00	Per sample
<i>Bacillus subtilis</i> growth inhibition	50.00	Per sample
Water		
Aerobic plate count (detection and enumeration)	95.00	Per sample
Total coliforms (detection and enumeration)	106.00	Per sample
Faecal coliforms and <i>E.coli</i> (detection and enumeration)	230.00	Per sample
Faecal Streptococci (detection and enumeration)	137.00	Per sample
Toxicology		
Nitrate / Nitrite spot test	31.00	Per sample
Ryegrass toxicity	66.00	Per sample

<u>DESCRIPTION OF SERVICE</u>	<u>* FEE (R)</u>	<u>UNIT</u>
Clinical Pathology		
Mineral analysis		
Organs (Liver, Kidney) (Cu, Fe, Zn, Mn, Ca, Mg, P)	32.00	Per element per sample
Feed (Cu, Fe, Zn, Mn, Ca, Mg P)	102.00	Per element per sample
Bone, includes Ash (Cu, Fe, Zn, Mn, Ca, Mg, P)	86.00	Per element per sample
Bone (Selenium)	136.00	Per sample
Feed (Selenium)	129.00	Per sample
Organs (Liver, Kidney) (Selenium)	115.00	Per sample
Serum (Cu, Zn, Fe, Ca, P, Mg, K, Na, Cl)	32.00	Per element per sample
Blood (Selenium)	51.00	Per sample
Blood Haematocrit	7.00	Per sample
Serum / Plasma Protein (Total protein)	71.00	Per sample
Serum / Plasma Albumin	71.00	Per sample
Serum Urea Nitrogen (BUN)	60.00	Per sample
Serum Gamma-globulin (IgG)	47.00	Per sample
Serum Enzymes (AST, GGT, CK)	80.00	Per test per sample
Serology		
# Newcastle Disease: HI test	12.00	Per antigen
# Avian Influenza: HI test	25.00	Per antigen
# Influenza A Ab: ELISA test	35.00	Per test
Brucellosis		
# RBT: <i>B. abortus</i> ,	9.00	Per test
RBT: <i>B. melitensis</i>	9.00	Per test
# MRT: <i>B. abortus</i>	5.00	Per test
# CFT: <i>B abortus</i>	25.00	Per test
CFT: <i>B. ovis</i>	26.00	Per test
CFT: <i>B. melitensis</i>	25.00	Per test
Molecular (PCR)		
# Avian influenza A virus (screening)	300.00	Per test
# Avian influenza A virus additional typing PCR for H7	190.00	Per test
# Avian influenza A virus additional typing PCR for H5	190.00	Per test
# Newcastle disease virus (screening)	285.00	Per test
# Newcastle disease virus (detection and virulence typing hemi-nested PCR)	397.00	Per test
African Horse Sickness Virus	284.00	Per test
Virology		
Specified: Isolation & identification; Embryonated eggs	572.00	Per virus
# Avian influenza virus and Newcastle Disease isolation		

* Fees: All fees listed are VAT exempt.

* If samples are referred or sub-contracted for testing at another laboratory, an additional fee may be applicable. In such cases the client who submitted the sample will be requested to pay the additional fee directly to the referral or sub-contracted laboratory. Please contact the laboratory for further information.

SANAS accredited and DAFF approved test methods are indicated by means of # where applicable SANAS accreditation number: V0029. DAFF approval number: 0029. Please refer to the latest schedule of accreditation on the SANAS website for accredited test methods and the applicable sample types (<http://home.sanas.co.za/>).
