

Interns for 2019 Harvest

Jordan Wine Estate in Stellenbosch, are looking for a local intern, to work on this award winning wine estate and experience all that it takes to create legendary wines.

Successful candidates must have worked in a cellar during harvest at least once and have a sound understanding of machinery and the hard work that goes into the day to day operations.

There is a possibility for accommodation to be made available, on the estate. Breakfast & dinner, during harvest will be catered for. Fun and interesting blind tastings, will be conducted each evening. Be sure to bring a bottle of your favourite wine with you...

Due to languages constraints within the current team, we require the ideal candidates to have a good grasp of English, to avoid miss-communication during this critical time.

Duration of harvest: January until end April 2019

Applications close: 30 November
